

Lab Practice Assignment 7

Save each test script and screenshots of test result as per question number. Make a zip folder of all the files. Upload the zip file to Moodle.

Problem 1. (30%) Equivalence partitioning

Complete “Equivalence partitioning” Example

Problem 2. (30%) Boundary Value Analysis

Complete “Boundary Value Analysis” Example.

Problem 3. (40%) Decision Table

Complete “PhoneSubscription” Example and it’s corresponding “Decision Table”.

Submit both to Moodle.

~~The end~~
